主たる研究テーマ Principal Research Subject	LINGUISTICS				
研究計画（400 字～500 字で記入すること。） Research Plan（Approximately 100 Words）					
<p>In addition to my academic communication skills courses, I intend to continue developing and improving my content-focussed elective courses in general linguistics and philosophy. I am also in the process of designing a small-scale study to investigate the potential positive effects of virtual reality technologies on second language acquisition. If this pilot study yields promising results, I intend to expand it into a longer-term research project that could benefit foreign language education in English and other modern languages at Osaka University.</p>
