平成 29 年度 研究計画 (ホームページで公開) Research Plan FY2017 (Post on Website)

主たる研究テーマ Principal Research Subject	Regional differences in Spanish / Teaching material				
<p>研究計画 (400 字～500 字で記入すること。) Research Plan (Approximately 100 Words)</p> <p>During the previous years, I have conducted an investigation of the use of <estar que + verb in present tense> instead of <estar + gerund> in Peru and have found similar uses in a few regions. I plan to deepen my research in order to classify the regions where this use is found.</p> <p>I also plan to measure the regional differences in the extent of the meaning of the verb <i>conocer</i> (to know) in the expression <conocer a + person>.</p> <p>Regarding the development of teaching material, I plan to develop material for students to be able to introduce their culture to foreigners.</p>
