平成 29 年度 研究計画 (ホームページで公開) Research Plan FY2017 (Post on Website)

主たる研究テーマ Principal Research Subject	São Paulo and Osaka sister-cities (since 1969)				
<p>The year 2019 celebrates the 50th anniversary of the agreement between the sister cities of Osaka and São Paulo. This research project aims to analyze historically, through documents and texts, and photographically the relations between these two metropolises.</p> <p>First, during the FY 2017/2018 a documentary will be done on the main activities carried out jointly by the two cities since 1969. The objective is to find out the main points of cooperation between the two cities.</p> <p>During the following year (FY 2018/2019) I intend to photograph the city of Osaka and make a selection of about 10-20 images to be exhibited in São Paulo. At the same time I plan to organize a photographic exhibition about the city of São Paulo in Osaka. The objective will be evaluate the urban differences and the economic and social elements that bring them closer as sister cities, based on current images of the two metropolises.</p>
