### 平成 27 年度 研究計画 Research Plan FY2015

主たる研究テーマ Principal Research Subject	Sociolinguistics				
研究計画 Research Plan	<p>This research aims to correlate the family terms of endearment to the traditionalistic tendencies of Chinese Indonesian families. The research target is aimed at Chinese Indonesians below 50 years old, which is after the anti-communist purge of 1965 (30 September Movement). This research will be conducted by way of questionnaires.</p> <p>This research hopes to show the existence and the extent of Chinese traditions amongst contemporary Chinese Indonesian families.</p>				
共同研究可能な分野 Research Fields feasible for joint research
