

# 平成 26 年度 研究計画書

## Research Plan FY2014

講座名・職名 Course Title・Job Title	Visiting professor in the Myanmar language
氏名 Name	Shwe Pyi Soe
専門分野 Academic Field	linguistics

### 平成 26 年度 研究計画 Research Plan FY2014

主たる研究テーマ Principal Research Subject	contrastive morphology				
研究計画 Research Plan	<p>My main interest is in the theory of morphology. I will conduct research in the following topics by using linguistic methods:</p> <p>(1) Contrastive analysis on word formation between different languages, mainly Myanmar, English, Pali, and Japanese</p> <p>(2) Contrastive analysis on phrase formation between different languages, mainly Myanmar, English, Pali, and Japanese</p> <p>Comparing these languages will provide a greater depth of understanding in morphology of the Myanmar language.</p>				
共同研究可能な分野 Research Fields feasible for joint research	linguistics				
キーワード Keywords	Burmese	morphology
