主たる研究テーマ Principal Research Subject	Development of Materials for Teaching Swahili as a Foreign Language
<p>My plan for this academic year was to continue the efforts of collecting and publishing materials on Swahili language and culture. Specifically I intended to produce an article on Swahili Culture from the collected materials.</p> <p>I would like therefore to report that the journal of <i>Frontier of Foreign Language Education</i>, Graduate School of Language and Culture, Osaka University has accepted for printing my article on Swahili Culture titled, “Dhana na Dhima ya Familia na Unasaba katika Utamaduni wa Kiswahili” (The Concept and Role of Family and Kinship in Swahili Culture). The article is expected to be published by the end of March 2019. Once published it is my hope that the article will serve as a reference material for both learners and instructors of Swahili Language and Culture on the topic.</p>
