講座名・職名 Course Title・Job Title	Asia Africa 3 specially appointed associate professor
氏名 Name	Abdel Rahman Tareq Sadeq Elsharqawy
専門分野 Academic Field	modern Arabic literature

主たる研究テーマ Principal Research Subject	(Arabic Language and literature in Comparison)
<p>The original plan was::</p> <ul style="list-style-type: none">- Producing teaching materials for Arabic as a foreign language to Japanese learners. It requires collecting more published books in the field.- Publishing an article on the topic: Cairo as represented by its rulers visitors.- Making field visits to traditional book markets to collect books about travelers writings in the Arab world during the 19th and 20th centuries. <p>I achieved:</p> <ol style="list-style-type: none">1- Five units for reading modern Arabic texts for the intermediate level.2- A research is submitted to be judged for Kansai society for Arabic studies.3- I changed the plan for collecting travel writings to collect books in the field of modern narration and post-colonial studies.4- I participated in an emersion camp for Arabic at the end of August organized by professor sumi in Notre damme University.
